Description

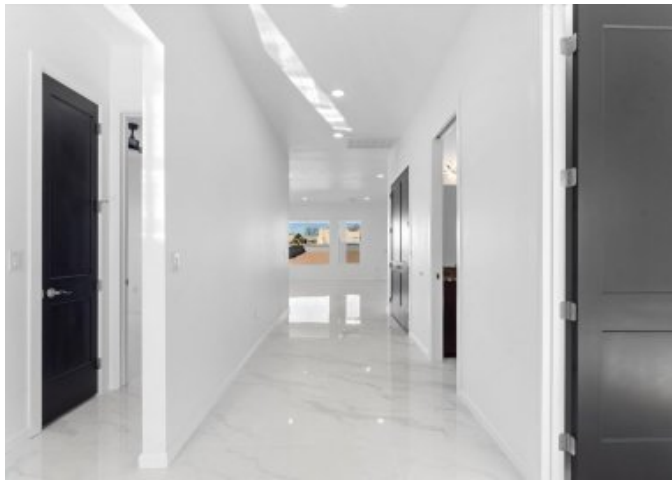

Definitely an opportunity to explore! NEW CONSTRUCTION in a great location! This home offers elegance, comfort and practicality. Open concept floorplan feels spacious and bright, offering 3 bedrooms plus an office, 2.5 bathrooms and a fully finished and insulated 3 car garage. This home showcases a beautiful kitchen with a 48" gas range, pot filler and other luxury amenities. Large covered patio in the back includes TV hook up and a gas stub out. This beauty sits on a spacious half acre lot with back yard access. There is a circular driveway and low maintenance landscaping with a french drain system. Ask about seller credit to the buyer!
