Description

2/7/26 Open House Canceled. Discover the inviting atmosphere of 1812 Quiet Lane, Albuquerque, NM. This well-maintained home showcases a newly remodeled kitchen with stylish granite countertops, catering to those who appreciate functionality and aesthetic appeal. The two spacious living areas provide flexibility for various activities, whether it's family gatherings or peaceful evenings. Additional features include a commercial grade water heater and solar panels installed in 2021, paired with refreshed electrical systems from the same year--providing both modern amenities and energy efficiency. The property also offers two refrigerated AC units and generous RV parking on a sizable lot, making it perfectly suited for all your needs.
