Description

Welcome to 6301 Antigone Circle, a beautifully re-imagined home in Crestview that blends modern upgrades with everyday comfort and is truly move-in ready from top to bottom. Situated on a desirable corner lot, this spacious 5-bedroom, 4.5-bath residence has been thoughtfully refreshed with today's buyer in mind. Curb appeal shines with a brand-new architectural shingle roof (2025), fresh exterior paint, new gutters, updated landscaping, irrigation system, and a new privacy fence. The extended paver patio creates the perfect setting for outdoor entertaining or relaxing evenings at home. Inside, the home is light, bright, and fully updated. Improvements include fresh interior paint throughout, all-new lighting and ceiling fans, updated hardware and faucets, and a brand-new walk-in shower in the primary suite. A Smart Home system with a NEST thermostat adds modern convenience and energy efficiency. The flexible floor plan offers room for everyone, including a private upstairs ensuite that is ideal for guests, teens, or multi-generational living. The finished garage with epoxy flooring adds both style and functionality, while a new air handler (2025) ensures year-round comfort. Just across the street, enjoy a peaceful lake with a playground, picnic pavilion, and recreation area perfect for unwinding, playtime, or connecting with neighbors. For added peace of mind, the seller has completed a pre-listing inspection, confirming the home is solid, well-maintained, and ready for its next owner. Every detail has been updated. Every space feels welcoming. This is the lifestyle upgrade you've been waiting for.
