## Description

Set in the highly sought-after Minnetonka School District, this exceptional home blends refined design with everyday comfort and outstanding functionality. Step inside to oak floors and a welcoming formal dining room with a gas fireplace and breakfast nook, creating an ideal space for everyday meals and special gatherings. The chef-inspired kitchen is the heart of the home, featuring Wolf and Sub-Zero appliances, a striking quartzite island, sunlit black-framed windows, and premium finishes throughout. The vaulted family room offers an inviting place to relax with expansive windows and a cozy gas fireplace. Entertain with ease thanks to the spacious butler's pantry or step outside to the covered porch, complete with heaters, phantom screen, built-in grill, beverage fridge, and TV for year-round enjoyment. The walkout lower level adds even more living space with a large family room and custom fireplace, a full wet bar, exercise room, second laundry, guest bedroom, and spa-style bath. Upstairs, a bright loft provides flexible space, while the private primary suite delivers a true retreat with dual closets and a luxurious ensuite with heated floors. Completing the home is a deep heated 3-car garage with a tiled dog wash, floor drains, and an adjacent mudroom with built-in storage. With generous bedrooms, beautifully finished baths, and thoughtful design throughout, this home offers space, style, and comfort for both daily living and memorable gatherings.
