Aylestone Place is an exclusive development of just nine meticulously designed homes, featuring six luxurious apartments set within a striking contemporary building, alongside three thoughtfully crafted family houses — all designed with a focus on modern living and timeless elegance. A rare opportunity to own a beautifully designed two-bedroom first floor apartment in the heart of Brondesbury Park. Set within a boutique new development of just six apartments, this 792 sq ft home combines elegant interiors, a private terrace, and outstanding connectivity. Every element at Aylestone Place has been carefully considered — from the materials underfoot to the refined atmosphere throughout. This is craftsmanship without compromise, where smart technology meets timeless design, blending practicality with presence. The open-plan living and dining space opens directly onto the private terrace, creating a seamless indoor-outdoor flow. A bespoke Italian-made kitchen features Arabesco Crema stone worktops, Siemens and Bosch appliances, a Franke Maris 3-in-1 hot water tap, and ISE waste disposal unit. There are two double bedrooms, both with built-in wardrobes, including a principal suite with a sleek en-suite shower room. A contemporary family bathroom, underfloor heating, European oak herringbone flooring, and premium finishes throughout complete this considered and stylish home.
