Description

The one you've all been waiting for. This stunning home located right in the heart of Hampstead NC is fresh on the market and won't last long, come see why. These 4 bedrooms PLUS a bonus and 3 full bathrooms sit on an expansive over 2700 sq ft home, in a well thought out split floorplan with the primary suite and 2 spare rooms located on the main living level, and one bedroom with an en-suite and walk in closet located upstairs, in addition to a bonus room over the garage means the possibilities are endless for living and entertaining alike. The large kitchen features ample cabinets, subway tile, upgraded appliances, fixtures, and quartz countertops in addition to a working hood and pantry with upgraded shelving. Custom built-in bookshelves on either side of the gas log fireplace will make your winter woes melt away. Some of the other special features in the home are the wainscoting, trey ceilings, shiplap accent ceiling in the living room, upgraded lighting, 8' double glass sliders leading to the covered patio, walk-in attic space, bonus locked room with camera, epoxied garage floors, and a built in wall safe in the garage. In addition there is an extra concrete pad poured for the patio on the back as well as a double gate on the side of the home with a graveled area for parking a large boat. This is the largest lot in the neighborhood with protected wetlands in the back to ensure the privacy and relaxed nature lovers dream of a back yard. Not only is this home located in a cul-de-sac, it is also located beside the community mailboxes and the community pool so you have the convenience of a pool practically in your back yard without all of the costs and maintenance. The location of the neighborhood provides ease to shopping, dining, Wilmington, Beaches, Bases, Marinas and boat ramps and so very much more. For information about our preferred lender and the incentives you may qualify for, please ask your agent to review agent comments for more.
