Description

Timeless all-brick home located in Brighton Heights, perfectly positioned just minutes from Downtown Pittsburgh and the scenic North Hills. Gleaming hardwood floors welcome you inside and lead through the inviting family room, highlighted by stained-glass windows that add warmth and character. A tiled fireplace serves as a beautiful focal point, while classic arched openings create a seamless flow into the adjoining living and dining spaces. Imagine preparing meals in the remodeled kitchen on stunning granite countertops, with custom floor tiles underfoot and a stylish backsplash framing your workspace. A breakfast bar extends seating into the dining room, making this space ideal for everyday meals and entertaining. This versatile home offers four bedrooms, each with its own unique charm. The primary bedroom provides generous closet space and a comfortable retreat. Two additional well-sized bedrooms and an updated full bath complete the second level, while the third floor offers flexible bonus space perfect for a home office, guest bedroom, or game room. Recent improvements include a brand-new roof on both the house and garage, along with a recently updated furnace-providing peace of mind for years to come. Outdoor living shines with a welcoming covered front porch, ideal for morning coffee or evening relaxation. A newly built deck off the kitchen extends your living space and offers scenic views. The fenced-in backyard features a patio ready for summer entertaining, pets, or gardening. A two-car garage provides ample off-street parking and storage-a rare and valuable find in city living. Conveniently located near major routes, shopping, dining, parks, and downtown Pittsburgh, this Brighton Heights home blends classic architectural charm, thoughtful updates, and exceptional outdoor space.
