The chef's kitchen is both striking and highly functional, anchored by 2" marble countertops, custom cabinetry, double pantries, and a suite of premium appliances including Sub-Zero refrigeration and Miele cooking and 204 wine bottle storage. A large island and connecting peninsula create a natural gathering space, complemented by a separate seating area and wine storage for up to 204 bottles-perfect for hosting with style. The primary suite is a true sanctuary, featuring a custom-designed, floor-to-ceiling closet with tailored storage, a private vanity area, and a spa-inspired bath with marble finishes, dual vanities with ambient toe-kick lighting, and a steam shower. Each secondary bedroom offers custom closets and en-suite baths adorned with refined mosaic tile, while one oversized bedroom functions beautifully as a private in-law suite. A flexible bonus room invites endless possibilities-media lounge, wellness studio, or game room-while the spacious laundry room provides exceptional storage and convenience. Four parking spaces, including one with an EV charger, and two climate-controlled storage units complete the residence. Residents of The Plaza on Harbour Island enjoy access to recently renovated, resort-style amenities including an infinity-edge heated pool and spa, valet parking, 24-hour front desk and concierge services, a fully equipped wellness center and spa, business facilities, and elegant community spaces.
