## Description

Positioned on a prime rim lot in the highly sought-after Wilhelmina Rise neighborhood, this expansive residence enjoys sweeping panoramic views from the mountains, across the city and Pacific Ocean, to iconic Diamond Head. Situated on a 10,015 square foot lot, the property offers 5,162 square feet of interior living space with a flexible 5 bedroom, 6.5 bath configuration ideal for multi-generational living, guest accommodations, or future income potential. The upper level main residence features 3 bedrooms and 3.5 baths, with a spacious kitchen with handcrafted cabinetry and living areas designed to capture the views. The lower level, with a separate entrance, includes 1 bedroom, a spacious den, and 2 full baths, offering excellent separation. A detached cottage adds further versatility. With its elevated setting and substantial square footage, this Wilhelmina Rise home presents a rare opportunity to reimagine a distinctive island residence. Some areas are in average condition, while others would benefit from renovation and repairs. Please do not visit the property without a confirmed appointment, and refrain from trespassing.
