Description

Welcome to 12 Woodvalley Court located in the foothills of the Blue Ridge Mountains in the extremely sought after Green Valley Subdivision within just a short drive of everything that downtown Greenville, South Carolina has and also an easy commute to the thriving city of Travelers Rest that is now a true destination with tons of shopping the Swamp Rabbit Trail and incredible restaurants as well! This current owner has transformed this stately and traditional painted all brick home into an absolute masterpiece both inside and out and used the finest fixtures and features throughout! The inviting curb appeal draws you through the well-landscaped mature English gardens to the large double story rocking-chair front porch. From the moment you enter this home you will appreciate all of the details throughout to include the double story foyer with custom stairwell with beautiful herringbone pattern oak floors, tons of natural light through the incredible windows throughout this family-friendly and entertainment-friendly open floor plan. You will find a large formal dining room with heavy moldings and built-ins, a gourmet kitchen with quartzite countertops, ample custom cabinetry, high end Viking appliance package, full wall of quartz backsplash, a large center island with additional storage that's open to the breakfast room complete with a wall to wall built-in wet bar with icemaker and beverage center as well as a hand hammered stainless sink with antique glass mirror backsplash. All of this is open to the large family room with double story ceiling heights and gas log fireplace with wall-to-wall built-ins as well! The kitchen is open to the large rear composite deck that overlooks your custom inground pool that is well landscaped and fully fenced on this incredibly large and maturely landscaped lot! The main level has the primary master bedroom suite that will take your breath away when you enter the bathroom complete with custom tiled floor, a large, walk-in shower with wall-to-wall marbled multi jetted shower heads, glass door, and additional separate soaking tub, his and hers vanities with additional storage, enormous walk-in closet with California style built-ins and a private water closet as well! Upstairs, you will be pleased to find more beautiful brand new oak floors and five additional bedroom options all with incredible and fully renovated bathroom suites and one Jack and Jill bathroom. All bedrooms have custom closets and there is an additional second half bathroom that serves guests visiting the huge home theater or large rec room upstairs (which makes this home fit for any size family) or all of your guests throughout the year! Additional features this current owner has elevated this home with are; epoxy flooring in the three-car side entry garage, outdoor lighting, a wall-to-wall workshop area with built-ins, sprinkler system, garage sink, dual tankless gas water heaters, a walk in laundry room with a workstation just off kitchen area, upgraded haiku ceiling fans, additional three car Belgard paved parking pad, all new paint inside and out, upgraded cove moldings, tons of canned lighting, high end light fixtures, new HVAC systems, alarm system, this list goes on and on and you will not be disappointed, so come take your tour today of this incredible dream home Estate home purchase opportunity right here in the upstate of Greenville, South Carolina!
