Description

Located in Peachtree City's Braelinn Village, this FIXER-UPPER presents an opportunity for renovation on a quiet cul-de-sac lot featuring a large and level backyard. The functional main floor centers around a large family room with fireplace that flows naturally into a screen porch, offering a seamless transition for indoor-outdoor living. The kitchen opens directly to a bright breakfast area, complemented by a dedicated formal dining room for more traditional gatherings. Large laundry room includes a pantry and serves as a convenient mudroom transition from the garage. The upper level includes a primary suite with a full bath and a spacious walk-in closet. Two additional bedrooms provide ample space for guests or family, while a substantial two-room bonus area offers the flexibility to serve as a fourth bedroom, media room, or home office.
