Description

You'll be swept away by this meticulously maintained 3-level home in the heart of Bentonville, where one beautiful room leads effortlessly to the next. This 6,000 sq ft beauty offers sweeping treed views and 2 expansive levels of decking—ideal for entertaining! Inside, enjoy beaming solid wood floors, extensive crown molding, high ceilings, and thoughtfully designed spaces including a private study & a gracious formal dining room perfect for hosting. Multiple living areas showcase stunning picture windows that flood the home with natural light and scenic views. The open eat-in kitchen features double ovens, a gas cooktop, & pantry. The main-level primary suite is spacious, private, & offers beautiful views. A full walk-out basement features even more room to enjoy, with a large family rm, fireplace, wet bar, 2nd primary suite, and a gym/6th bedroom. Walk-in closets throughout, move-in-ready, an incredible neighborhood, & a prime location just minutes from vibrant downtown Bentonville complete this exceptional home!
