Description

Welcome to a fully renovated, detached one-family home in Gravesend with a private driveway —a rare combination that delivers space, privacy, and everyday convenience in one package. The first floor offers a true open-layout design with hardwood floors throughout , renovated kitchen plus one bedroom and a bathroom , creating flexible functionality for today's needs. The second floor features three large bedrooms and two full bathrooms , providing a well-balanced layout with room to spread out. The basement adds major bonus value with a separate entrance , an open layout , a sauna , and another bathroom —ideal for recreation, workspace, or additional use without compromising the main living areas. With a total 2,784 sq ft of interior space (16' x 58') on a 25.5' x 100' lot , this property stands out for its scale and practicality. If you're searching for a detached single-family house with 4 bedrooms, 4 bathrooms, a private driveway, a separate-entrance basement, and a sauna , this is one to see.
