Description

This condominium/townhouse offers approximately 1,800 square feet of living space with three bedrooms and two and a half bathrooms, a garage, and a carport. The brick exterior and arched entryway create a charming and inviting first impression. The interior features a spacious and well-designed layout, flooded with abundant natural light. Vinyl wood-look flooring throughout the main living areas lends a warm and elegant ambiance. The neutral color palette provides a blank canvas for personalization. The primary bedroom is generously sized, ensuite bath with shower, vanity, and two large walk-in closets. Storage needs are well-accommodated, with ample built-in storage solutions throughout the home. The covered patio with brick flooring provides an outdoor living space. Ample parking is available, ensuring convenience for residents and guests. The community offers an outdoor pool and spacious playground, to enhances the living experience. Some photos have been virtually staged.
