Description

One of the largest waterfront heated living area homes currently on the market in Colington Harbour. This 4 Bedroom 3.5 Bath has a generous waterfront boat dock with pier and a separate floating dock. There is water and electric access at the dock area as well. The waterside yard is fenced in and landscaped with a firepit area. The interior features a foyer, an additional office, game room, den overlooking the water, reading nook overlooking the sound and salt marsh, full walk in pantry, generous sized laundry room with storage cabinetry, and 2 primary ensuite, one on each level, numerous sun decks and also a screened in porch for enjoying the coastal breezes and sunshine. There is also a generous sized workshop with storage lofts on the ground level. A hobbyists dream. There is plenty of room in this house to spread out and numerous work from home areas. Many recent updates include whole house generator 2021. New operating windows on second floor 2024. New Water Heater 2025. Dishwasher 2024. Waterline to House 2022. Front Porch & Stairs 2023. Septic Drainfield upgraded and replaced in 2006 for a 4 bedroom capacity. Owner Occupied - 24 hour notice to show preferred. View additional property information in the associated documents for survey, expenses, etc.
