Description

Approximately 3,360 square feet of living space await you in this stunning four-bedroom, 3 1/2 bathroom house. The spacious dining area, filled with abundant natural light, sets the tone for the home's welcoming ambiance. Gleaming 4" oak hardwood floors flow throughout main level and upper hallway, complemented by the vaulted ceilings that create a sense of grandeur. The well-appointed kitchen boasts ample ebony finished maple cabinetry, newly tiled backsplash, SS appliances, huge pantry and island with granite countertops, providing both style and functionality. The spacious layout allows for a comfortable flow between the living and dining areas, perfect for entertaining guests. Dishwasher replaced - 2024, Refrigerator replaced - 2025 The family room showcases an updated gas fireplace surround with a custom wooden mantel and vaulted ceilings, which creates a warm and inviting atmosphere. Directly connected to the family room is the newly added parlor room w/sliders to back yard oasis. A beautiful bar and barstools compliment this area with tons of windows and vaulted ceilings. The expansive exterior includes a huge fenced yard, offering ample space for recreation or gardening. The inviting porch and covered patio with brick pavers offer outdoor oases for relaxation or al fresco dining. The primary bedroom features tray ceilings with accent lighting, and double closets, creating a serene and luxurious retreat. The en-suite primary bathroom is equally impressive, with a spacious design and double-bowl granite vanity, separate vanity area, linen closet, and private water closet. The three additional bedrooms provide ample space for family or guests, each with access to the abundant storage throughout the home. Lower level is the perfect hideaway for extra entertainment space , built in storage benches, TV, and a full bath. The oversized three-car garage, with 8x9 doors and keyless entry, provides generous storage and parking. The corner lot location, across from the community clubhouse, grants access to the heated pool, exercise room, and full kitchen. Thoughtful upgrades, such as the updated gas fireplace surround with a custom oak mantel, the whole-home humidifier, Newer Hot water tank - May, 2024, expanded mud room/laundry area, and main floor office add to the home's appeal and comfort. With its inviting design, exceptional features, and desirable location, this home is ideal for those seeking a spacious and well-appointed living experience.
