Description

This completely remodeled home at 206 Vine Street in Sulphur has been updated from top to bottom, featuring a brand new roof, fresh paint, modern appliances, new cabinets, countertops, and flooring throughout. Every detail has been thoughtfully redone, making it truly move-in ready. The property is located in Flood Zone X, meaning its considered to have minimal flood risk. Conveniently situated near local industry, including major petrochemical plants and refineries, this home offers quick access to key employment hubs while still being tucked into a quiet residential area, making it ideal for both homeowners and investors alike.
