Description

Ideal as a first home or investment opportunity, this 3-bedroom, 1-bath home offers 942 square feet of functional living space in Newark. The living room includes a large front window that provides natural light and hardwood flooring that continues through much of the home. The kitchen is equipped with stainless-steel appliances, including a refrigerator, dishwasher, gas range/oven, and microwave, and connects to a dining area. The bathroom has been updated with a shower/tub combination, glass partition, and tile flooring. The primary bedroom features hardwood floors and two closets. Two additional bedrooms provide flexibility for guests, office space, or other needs, with one offering sliding door access to the backyard. The backyard includes grass, mature trees, a covered patio, and two 10x10 sheds: a barn-style shed with loft storage and a Tuff Shed suitable for storage or workspace. Additional features include an attached one-car garage with laundry area, dual-pane windows, freshly painted interior, hardwood flooring, and an expanded driveway with space for two vehicles. Conveniently located near shopping, parks, Highway 880 and 84, Tesla, Meta, and other major employers.
