## Description

Welcome to this stunning, brand new two family home in the heart of Cypress Hills, offering the perfect blend of modern design, space, and versatility. Fully renovated in 2023, this home features brand new hardwood flooring throughout, with elegant marble flooring in the basement, and showcases high quality finishes and craftsmanship from top to bottom. Each of the first and second floor units features a spacious open concept layout with three oversized bedrooms and two full bathrooms, including a private primary suite with its own full bathroom. Thoughtfully designed with comfort and functionality in mind, both units provide generous living and dining areas ideal for everyday living and entertaining. The modern kitchens are beautifully appointed with stainless steel appliances, center islands, and ample cabinet and counter space, making them perfect for cooking and gathering. The fully finished basement offers additional living space and includes a full bathroom along with a separate entrance, providing excellent flexibility for recreation, guest space, or extended family use. This property also features separate heating systems, electric, and boilers for each unit, making it an excellent opportunity for homeowners seeking rental income or multigenerational living. Step outside to enjoy the open backyard, perfect for hosting gatherings, relaxing, or creating your own outdoor oasis. Conveniently located within walking distance to several train lines, commuting is effortless. The home is also located near local parks, shopping, dining, and neighborhood amenities. As a recently renovated home completed in 2023, this property offers modern finishes and low maintenance, making it truly ready for occupancy. A rare opportunity to own a spacious, income producing property in a highly desirable location.
