Description

Welcome home to this reimagined brick ranch in the heart of Broomfield. Step inside to discover a beautifully updated main floor featuring modern laminate flooring throughout, all-new interior paint, and updated egress lighting that creates a bright, welcoming feel. The kitchen has been completely transformed and opened up, showcasing a new central island, brand-new cabinetry and countertops, and sleek stainless steel appliances, including an induction oven that home chefs will love. Just beyond, the cozy family room invites you to relax with a charming wood-burning stove and abundant natural light from skylights overhead. The main floor primary suite offers comfort and privacy with an updated ensuite 3/4 bathroom. Two additional generously sized bedrooms and a stylishly updated full bathroom complete the main level. Downstairs, the partially finished basement provides incredible flexibility and opportunity to add your own personal touches. It includes a den, a full bathroom, and two additional flex spaces that can serve as non-conforming bedrooms, a home office, workout room, or creative space - with all new carpet in 2026. Set on a large lot backing directly to the Broomfield Trail, the outdoor space is just as appealing - featuring a fully fenced yard, two storage sheds, and potential space for small RV parking. The location is hard to beat: just blocks from Broomfield High School and with easy access to US-36, commuting to Denver or Boulder is effortless. A thoughtfully updated home with space to grow - make it yours today!
