Description

Exceptional opportunity in a prime Mountain View neighborhood. Set on an expansive, level lot, this property offers privacy, versatility, and outstanding future potential. Enjoy a sunny residential setting moments from top schools, major tech campuses, and downtown restaurants and shops in Los Altos, Mountain View & Sunnyvale . Easy access to neighborhood parks like Cuesta Park, Stevens Creek Trail and nearby green spaces ideal for walking, biking, and outdoor exercise. Ideal for those seeking to customize, expand, or build a dream home in one of Silicon Valleys most desirable locations. Convenient to hwys 85, 237, 101 and 280. This classic 3BD/1BA ranch style home plus 1 BD/1BA guest cottage is located on a cul-de-sac on a stunning approx. 1/4 acre lot with spa with covered patio, raised plant beds, greenhouse, grape vines, fruit trees & bushes (apples, oranges, lemons, cherry, loganberry, blue berries, pomegranate, persimmon), two pergolas (one grape vine covered) and 1 car garage with adjacent storage area. Home has central A/C, oak hardwood floors, fireplace in living room. Lot size and square footage are from ADU plans. Seller & Agent have not verified.
