Description

Welcome to one of the largest first-floor residences in Huntington Lakes, North Naples, ideally positioned on a rare cul-de-sac setting with sweeping southwestern lake views that fill the home with natural light and glowing sunset hues. The interior's current tropical yellow palette reflects the uplifting energy the owners have long cherished-creating a space that feels warm, welcoming, and effortlessly bright. Diagonal white tile flooring throughout the main living areas enhances the open feel while reflecting light beautifully throughout the home. Designed for relaxed Southwest Florida living, the expansive open layout flows seamlessly to a screened lanai overlooking tranquil lake and fountain views, where Storm Smart screens provide peace of mind and year-round enjoyment. The southwest-facing exposure creates sought-after lake-view condo living with stunning sunset reflections across the water. Home is offered turnkey furnished, allowing for an immediate, effortless move-in and ideal seasonal convenience. Whether savoring morning coffee or unwinding at day's end, the ever-changing water views offer a calming backdrop. The spacious owner's suite serves as a private retreat, featuring a generous sitting area with peaceful views of the lanai and lake beyond. This residence also includes an attached garage and an extra-long driveway, providing rare and valuable parking convenience. The highly desired first-floor condo location enhances ease of living while maximizing indoor-outdoor connection to the surrounding landscape. In addition, a seller-provided home warranty adds valuable peace of mind, helping protect against unexpected repair costs after closing.
