Description

Welcome to this warm Forest Glen daylight rancher in the Mead School District, built for real life and easy hosting. The kitchen is the heart of the home with granite counters, tile backsplash, and a generous island where everyone naturally gathers. An open living area keeps you connected, while the main-floor office with French doors and a bay window offers a peaceful place to work or unwind. The main-floor primary suite feels like a retreat with an adjoining bath, jetted tub, walk-in closet, and a second closet. Main-floor utilities add everyday convenience. Downstairs, the finished daylight basement includes a spacious rec room with direct access to the oversized yard, plus two additional bedrooms, a full bath, and two dedicated storage rooms. Step outside to your own backyard getaway with a new composite deck, patio, fenced yard, and garden space, all close to schools and shopping.
