Description

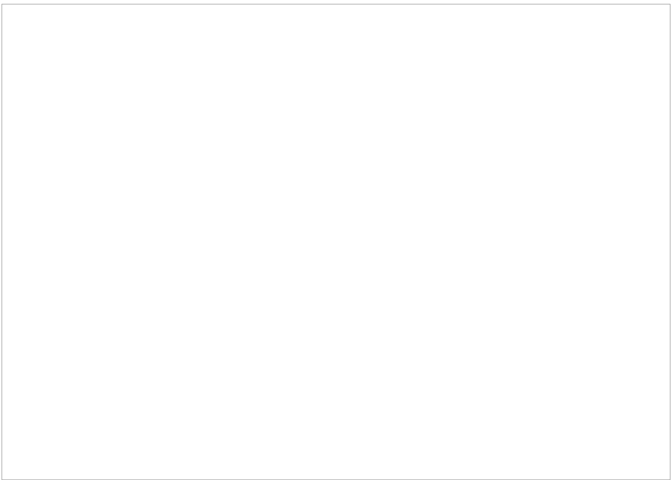

Perched above the coastline in Pacificas coveted Skyridge enclave & offered for the first time since its original construction, 868 Skyridge is a rare offering of exceptional scale, privacy & sweeping ocean-view living. Spanning over 3000 sq ft, this expansive residence is thoughtfully designed with multiple entertaining spaces & private suites. Dramatic interiors unfold with timeless style: rich hardwood floors, soaring living spaces & walls of glass that frame breathtaking canyon & sunset vistas. The heart of the home is anchored by a chefs kitchen with large island, top-of-the-line appliances & seamless flow into open dining & gathering areas. A custom pantry & a dedicated laundry room offer beautifully designed, aesthetic storage solutions. The primary suite is a sanctuary of its own, complete with spa-like bath elements including walk in closet. Step outside to the showpiece: a newly rebuilt deck with a private hot tub where you can soak in both the warmth and the horizon. No shortage of storage, with a 2-car garage and a spacious downstairs storage. Set on a quiet street just minutes from Milagra Ridge trails, Linda Mar Beach, and Pacificas top schools, with effortless access to HWY 1, 280 & Silicon Valley beyond- this is coastal luxury living at its most inspiring.
