## Description

Move-in ready new construction - not pre-construction. A rare opportunity to own a 4-bd, 4.5-baa residence at La Baia, an intimate boutique building in Bay Harbor Islands comprised of just 68 luxury homes with a private marina and curated resort-style amenities. Residence 501 is filled with radiant sunrise light, offering beautiful open vistas with select water sight-lines and subtle glimpses toward the Atlantic. Sophisticated interiors showcase 10 ft ceilings, floor-to-ceiling impact glass, European wide-plank wood flooring, and a designer chef's kitchen appointed with Italian cabinetry, quartz stone surfaces, and a full suite of Miele appliances. Residents enjoy an elevated lifestyle with a rooftop pool and sundeck, state-of-the-art fitness center, elegant clubroom, and serene yoga/reflection lawn. Perfectly positioned in the closest proximity to the bridge while maintaining a peaceful island setting, the home offers exceptional walkability just moments from Bal Harbour Shops, pristine beaches, the oceanfront boardwalk, acclaimed dining, and houses of worship. One of only a limited collection of four-bedroom residences within the building.
