Description

RARE FLOORPLAN WITH UPGRADES... NOW AVAILABLE... AND THIS ONE IS VERY CLOSE TO THE NEIGHBORHOOD POOL AND PLAYGROUND! Introducing the RHETT PLAN! Very few were sold when this neighborhood launched, because the Rhett offered PRICEY UPGRADES and buyers had to pay a higher price. Most opted for the less expensive version (Cali). The Rhett featured taller ceilings (9 ft), archways, neutral paint, luxury vinyl plank flooring, espresso cabinetry and a BONUS FEATURE in the master bath. Details on that... a little later. Welcome to highly sought-after Redstone Commons; known for neighborhood festivities, Halloween Trick-or-Treating, sparkling pool, kiddie playground, dog park and a pedestrian-friendly lifestyle that encourages outdoor interaction and play. The neighborhood also features beautiful homes, and 438 Chickadee Street is no exception. Here you'll find double tray ceilings with recessed crown molding, upgraded trim, gorgeous granite, rich espresso cabinetry, walk-in pantry, stainless steel appliances, large designated dining space and a master suite that features a bathroom bonus. Unlike the Cali plan, the Rhett offers a GARDEN SOAKER TUB (with window) AND 2 PERSON WALK-IN SHOWER WITH GLASS DOOR! You'll find 2 sinks, with expansive vanity, and VERY LARGE WALK-IN MASTER CLOSET! The 3 additional bedrooms feature plush carpeting, large windows (some with plantation shutters) and spacious closets. The guest bath is conveniently located and features more granite with PRISTINE TUB/SHOWER COMBINATION! ATTENTION ASPIRING LANDSCAPERS! This yard is for you! The flat, fully-sodded backyard receives full sun and is a blank canvas waiting for your backyard design. #UntappedEquity Because the home is on worry-free city sewer (NO SEPTIC TANK), the backyard will easily accommodate an inground swimming pool! #YourBackyardOasisAwaits Did I mention there is also a backyard lanai? The home is a very short walk to the community pool and playground, and the neighborhood is across the street from the local elementary/middle schools. #OneStopDropOff The location is minutes away from shopping, the hospital, restaurants... and offers an easy commute to the military base! Rhett plans are rare in Redstone Commons, and this one is PRICED TO MOVE! Better hurry! Schedule your showing today!
