Description

Enjoy Luxury North Naples Living in Amenity-Rich Bent Creek Preserve! Ideally located in the heart of North Naples, this exceptional two-story home offers the perfect blend of luxury, space, and convenience within one of the area's most sought-after gated communities. Close to top-rated schools, premier shopping and dining, Interstate 75, and Naples' renowned Gulf beaches, the location delivers both accessibility and privacy. Built in 2019, the home features four bedrooms plus a den, a spacious loft currently used as a media room, and three full bathrooms. The striking brick-accent facade and inviting entry set the tone, highlighted by a front door with a stained-glass-look insert that allows natural light to filter inside. The driveway has been expanded to accommodate generous three-car parking, offering added functionality beyond the typical two-car setup. The open-concept living and dining areas flow seamlessly into a beautifully designed kitchen featuring white cabinetry, darker granite countertops, and a large granite island with seating-perfect for entertaining and everyday living. Pendant lighting and stainless steel appliances complete the modern, polished look. The den/office showcases a stunning blue accent wall, creating a stylish and functional workspace. Upstairs, the versatile loft provides additional living space ideal for relaxing or gathering. The primary suite offers a spa-like bath with a separate soaking tub and shower. A separate in-residence laundry room adds everyday convenience. Enjoy peaceful lake views from the cozy lanai-an ideal spot for morning coffee or evening relaxation. Bent Creek Preserve offers resort-style amenities for all ages, including a lakeside clubhouse with event space, fitness center with steam room and showers, billiard room, resort pool and spa, tennis and pickleball courts, bocce ball, half-court basketball, and a playground. This home captures the best of North Naples living-spacious, refined, and perfectly located.
