Description

If you want a spacious home with plenty of privacy, this property delivers. Set within a lushly landscaped 12,500 sq. ft. double lot, the 2,136 sq. ft. living area provides ample space for family and guests with 4-bedrooms, 2-baths, a family room, laundry room and additional room that could be a 5th bedroom. Refreshing colors complement the space, and the tasteful furnishings are included with just a few exceptions. You can literally move in with only your suitcase! Central A/C cools and heats the majority of the home, and mini-split units cover the rest. Flooring consists of solid bamboo and tile throughout. The fenced back yard features a tiki hut for entertaining and relaxing. The property is bordered on two sides by county and state-owned protected lands, adding to the privacy. The detached garage is a bonus!
