Description

You will love this stunning coastal inspired home in The Cape, one of Wilmington's most sought-after neighborhoods. The superb curb appeal is enhanced by its manicured landscape, a canopy of palm trees and eye-catching - architectural accents. The main living area, with its cheerful color palette has expansive windows emphasizing breathtaking views of the Cape Fear River and tidal lake. The recently updated kitchen has granite countertops, custom white cabinetry, a center island with seating, two pantries and high-quality white appliances. An adjacent Keeping Room (connected to the kitchen) is ideal for entertaining and conversation. Also, near the kitchen, the dry bar is the perfect spot for your favorite coffee and spirits. There is also a built-in dual desk workspace that serves as an efficient home office. The primary bedroom suite is a retreat of its own! It has an extra-large walk-in closet, abundant windows and direct access to one of the two covered porches. The primary bathroom exemplifies luxury; it encompasses two vanities, a soaking tub, and separate tiled shower. There are two additional bedrooms on this level, both are equally well appointed and share the Jack and Jill bathroom. A generously sized laundry and folding room is convenient to these bedrooms. On the top level, there is an additional bedroom with its own full bathroom and adjacent den - a private living quarters of its own. One of the most important features of the home is the elevator servicing the garage level and the next two floors. Other notable features include a newer roof, newer HVAC, fireplace, wood plank flooring, a 2-car garage, swimming pool and fenced backyard. The garage level has two abundant storage rooms and a large climate-controlled workshop. The Cape has a community pool, clubhouse and is minutes from vibrant Carolina Beach. Welcome home!
