## Description

Welcome to Bridgewater Bay, where life is both unhurried and vibrant. This refined first-floor residence greets you with a lushly landscaped courtyard that leads into a bright, thoughtfully appointed two-bedroom, two-bath retreat. Tailored for seamless indoor-outdoor living, the floor plan draws you toward the water; both the spacious living room and the primary suite open onto a screened lanai-the perfect vantage point for morning coffee or sunset cocktails overlooking the lake. At the heart of the home, an inviting eat-in kitchen offers a relaxed space for casual mornings and conversation. For rest, the primary suite serves as a true sanctuary, boasting a generous walk-in closet and a dual-vanity ensuite. Guests will enjoy equal comfort in the sizeable secondary bedroom, privately near a well-appointed guest bath and laundry area. Adding a rare level of convenience to condo living, the home also includes a private detached garage and a designated secondary parking spot. Beyond your front door, the newly redesigned 36,000-sqft clubhouse serves as the community's social pulse. Here, you can indulge in resort-style amenities including a resort pool and sundeck, a dedicated lap pool, and a modern fitness center complete with saunas and steam rooms. Whether you are enjoying a match on the tennis, pickleball, or bocce courts, hosting friends at the poolside bar, or escaping to the Gulf's pristine sands just a few minutes away, this is more than a residence - it's the lifestyle you've been looking for.
