Description

Superb potential: 3-bedroom house with terrace, garage & loft for conversion in St Jean (3 Valleys) - Less than a 15-minute drive (9 km) from St Martin de Belleville and the lift system of the world-famous Three Valleys, this property is a fantastic entry-level opportunity to potentially create a high-end property with cellar, garage and terrace with incredible views across to Mont Blanc. If renovated, the loft space above could provide an exceptional addition, and there could be the possibility to include a balcony to make the most of the lofty viewpoint.
