Description

MUST SEE VIDEO TOUR @ [VIRTUAL TOUR LINK](#). Located on one of the most prestigious and sought-after streets in the entire City of Pittsburgh, 5219 Pembroke Place offers a rare opportunity to own a fully reimagined residence among Shadyside's iconic block of Gilded Age mansions. ELEVATOR TO ALL FLOORS. This distinguished address is defined by architectural significance, timeless elegance, and a premier location just steps from Walnut Street's acclaimed dining, boutiques, and everyday conveniences. Behind its stately brick facade, the home was completely rebuilt and reconfigured from the interior out, preserving its historic character while delivering the comfort, efficiency, and performance of modern construction. Nearly every component was replaced or newly constructed, including all mechanical systems, plumbing, electrical, windows, roof, and structural elements-creating a residence that lives like new while honoring its architectural heritage. Exceptional craftsmanship is evident throughout, highlighted by custom inlaid walnut hardwood floors, architecturally designed millwork, and expansive, light-filled living spaces ideal for both everyday living and entertaining. The chef's kitchen features Taj Mahal quartzite countertops, custom cabinetry, and professional-grade appliances, seamlessly connecting to elegant dining and gathering areas and the private outdoor grounds. A fully integrated Lutron smart home system provides seamless control of automatic blinds and lighting throughout the entire residence, enhancing both convenience and energy efficiency. Modern infrastructure also includes zoned HVAC systems, whole-house automation, integrated audio, comprehensive security, and a whole-house generator. The luxurious primary suite offers marble finishes, heated floors, custom-designed closets, and refined architectural details, while additional bedrooms and bathrooms provide generous accommodations across multiple levels. A spacious elevator services all floors, offering effortless access throughout the home. Outside, professionally designed landscaping complements bluestone terraces, mature trees, and thoughtfully designed outdoor living spaces. Heated driveway, heated portico, and heated gutters & downspouts provide year-round convenience and ease, while the newer slate roof and copper gutters further reflect the home's exceptional quality and attention to detail. A custom climate-controlled wine cellar completes this remarkable offering. 5219 Pembroke Place represents a rare combination of historic presence and comprehensive modernization, set along one of Pittsburgh's most architecturally significant and desirable residential streets-where timeless grandeur meets modern luxury in the heart of Shadyside. The amount of homes restored to this extent in Shadyside is few and far between.
