Description

Welcome to this modern updated 4-bedroom,4-bath home located in desirable Grays Creek with city water and sewer. Featuring an updated kitchen with new appliances, backsplash and sleek quartz countertops, this home blends modern finishes with cozy living.LVP flooring runs through the main living areas,with carpet in the bedrooms.The kitchen opens into a breakfast nook, and a front flex room, currently used as a sitting/music space, could easily become a formal dining room or office.A practical drop zone near the garage entry includes hooks for coats/bags. Downstairs includes a bedroom and full bath.Upstairs, the primary suite features a spacious bath, closet and sitting area.Two additional bedrooms upstairs share an adjoining bathroom.A spacious loft with its own full bath adds even more flexibility, great for an office/playroom/media area.Outside,enjoy a beautifully designed patio retreat, with a covered porch, a fire pit, and stone wall. No permit was pulled for electrical outlet for hot tub. Seller is offering \$5000 with accepted contract.
