Description

This freshly painted home comes with new lighting fixtures, new ceiling fans, new kitchen sink & garbage disposal and new microwave oven. The new, walk-in pantry keeps what you need for cooking gourmet meals on-hand. The roof was replaced in September 2025 and the spacious deck was expanded in 2024. Viewing the pond from the deck soothes a stress filled day away! Shopping or working at the new Walmart Campus is a very short drive; as is Sam's Club. Beauty, comfort and location reside here!
