Description

Spacious 6-bedroom, 3-bathroom home offering approximately 3,995 square feet of living space and incredible potential! This property features two generous living areas downstairs, perfect for entertaining or multi-generational living, plus an additional living area upstairs providing flexible space for relaxation or recreation. Enjoy added versatility with a flex space on both levels ideal for a home office, playroom, gym, or hobby room. The thoughtful layout offers room to spread out while maintaining functional flow throughout the home. The property includes a 1-car garage and is situated on a lot with plenty of opportunity to customize and add value. This home needs some work and is being sold as-is, presenting a fantastic opportunity for investors, renovators, or buyers looking to create their dream home. Bring your vision and unlock the full potential of this expansive property!
