Description

Luxurious estate located within the gated and highly sought-after community of Royal Oaks. This Mediterranean-inspired home offers approximately 4,256 square feet of thoughtfully designed living space, featuring six bedrooms and five bathrooms. Built entirely of concrete, including the second floor, the residence provides exceptional durability and long-term value. A marble entry with a custom medallion leads into spacious interiors with high ceilings, classic architectural details, and marble flooring throughout, creating a bright and elegant atmosphere. The functional layout includes three guest bedrooms with private en-suite baths and an expansive primary suite of over 900 square feet, complete with a spa-style bathroom and Jacuzzi soaking tub. High-impact windows and doors enhance security and energy efficiency. A second-floor kitchenette with washer and dryer is ideal for extended family or guests, and an oversized two-car garage with marble flooring completes the home's interior. The backyard oasis is equally impressive, featuring a marble deck, large covered terrace, refreshing pool area, outdoor kitchen, and a tiki hut-perfect for entertaining or relaxing in privacy.
