Description

This 2-bedroom, 2-bath home with a dedicated office is located in the 55+ WaterSong community of RiverTown. The home features a covered front porch, foyer entry, and an open living area with large windows and a sliding glass door to the backyard. Upgrades include new interior paint, custom lighting and ceiling fans, added USB outlets, crown molding, accent walls, detailed millwork, and casement windows in the main living area. The kitchen and pantry have professionally installed organizers. The laundry room includes additional cabinetry, countertops, and a utility sink. The primary bedroom closet features a custom organization system. Exterior improvements include a large paver patio with seating, LED lighting, electric and gas hookups, and a cedar privacy wall with TV mount. The yard has been professionally landscaped. Watersong is almost built out. This level of finishes would be well over this price. Their loss is your gain!
