Description

Rarely available and generously proportioned, this three-bedroom, two-bath condominium offers an impressive 1,500 square feet of comfortable living. Peace of mind comes first with a BRAND NEW ROOF (December 2025), along with newer rear windows and a sliding glass door that invite natural light while enhancing energy efficiency. Inside, the spacious layout provides flexibility for full-time living, seasonal enjoyment, or hosting visiting family and friends. Start your mornings on the private balcony, coffee in hand, as you take in tranquil water views, mature trees, and glimpses of the golf course and local wildlife. At day's end, unwind with a cocktail while watching breathtaking sunsets paint the sky. Located only moments from the community pool and shuffleboard court, and surrounded by beautifully maintained grounds, the setting encourages both relaxation and an active lifestyle. Nearby, Palm Aire Country Club offers optional memberships tailored to your interests. Enjoy two championship 18-hole golf courses, state-of-the-art practice facilities, tennis, padel, and pickleball courts, along with an impressive calendar of social activities including culinary events, wine tastings, gardening clubs, and card groups. Ideally positioned near University Town Center for premier dining, shopping, and entertainment, with convenient access to I-75 for easy commuting. A short drive brings you to vibrant Sarasota, known for its thriving arts and cultural scene, and the world-renowned white sand beaches along the Gulf of Mexico. Condominiums with that elusive 3RD BEDROOM in this kind of setting are seldom available. Matterport available upon request.
