Description

RARE beautifully remodeled 2,140 SqFt tremendous Penthouse that shares no common walls is located in the center of it all! This 3 Bedroom plus office/den 2.5 bathroom condo is a short stroll to the shops and restaurants of WeHo's Sunset Strip and Hollywood, hikes in the hills(Runyon), and close to all of the main streets for getting around town. The expansive bright south facing open living space has newer luxury vinyl floors, wall to wall windows, and the space allows for endless possibilities to customize the home to your own taste. The updated kitchen has quartz countertops, subway tile backsplash, and newer stainless steel appliances. The large primary suite has views of the Hollywood Hills, a huge walk in closet, and a stylish and comfortable bathroom that features a standalone shower and bathtub. The two spacious secondary bedrooms have great closets spaces and the bonus den space would make for a perfect office or gym. The condo also had central HVAC, two car parking, and is in the secure entry Versaille Terrace building that has a relaxing pool and patio for enjoying the SoCal weather.
