Description

Tucked beneath a canopy of majestic live oaks in one of Kure Beach's most desired communities, 221 Seawatch Way offers the essence of relaxed beach living--and a short stroll from the community's private ocean access. This fully furnished 5 BR / 3 BA coastal retreat combines timeless charm, generous living spaces, and exceptional outdoor areas, all within a vibrant, resort-style neighborhood. Inside, an open layout creates a welcoming atmosphere ideal for gathering with family and friends. Hardwood flooring flows throughout the main living areas, while the spacious kitchen offers ample prep space, storage and functionality--perfect for casual meals or entertaining after a day at the beach. The primary suite serves as a peaceful escape, featuring access to a private balcony with a porch swing where ocean breezes set the tone for relaxation. The ensuite bath is generously sized with an oversized walk-in shower, dual shower heads, and spa-like potential. A second laundry hookup located just off the suite adds everyday convenience. Four add'l bedrooms provide flexibility for guests, extended family, or a home office. Outdoor living is a highlight of the home. Enjoy multiple decks, a shaded rear patio, and a lower-level outdoor shower for rinsing off sandy feet. The oversized two-car garage offers abundant storage for bikes, beach gear, and a golf cart--everything needed for coastal living. Seawatch residents enjoy outstanding amenities, including a community pool, tennis courts, playground, and private beach access with a sun deck, tiki bar, and restroom - creating a true vacation-like lifestyle. To help the next owner personalize the home, the sellers are offering a \$25,000 credit at closing for updates or improvements of your choosing--an excellent opportunity to tailor the space to your style while building instant value. With furnishings included and rental history available, this property is well-suited as a primary residence, second home, or investment opp.
