Description

Welcome to your private sanctuary in Del Webb at Lakewood Ranch, where shimmering water views, golden sunsets, and resort-caliber living come together in perfect harmony. Set on an extra-deep cul-de-sac homesite, this expanded Stellar model with 4 bedrooms, 4 baths, and a flexible office space is designed for the way you want to live. From the moment you enter, your eyes are drawn beyond the main living space to a breathtaking panoramic lake view, framed by a panoramic screen that makes the outdoors feel like a living work of art. Imagine starting your mornings with coffee as the water glows in the early light and ending your evenings with spectacular sunset skies reflected across your custom pool and spa. The outdoor living experience is nothing short of extraordinary with an expansive paver lanai, a fully equipped outdoor kitchen, and generous gathering spaces that invite celebrations, quiet evenings, and everything in between. Enjoy safety with electronic hurricane shades in lanai. This is where memories are made. At the heart of the home, the chef's kitchen is both stunning and practical, with glazed ivory cabinetry, quartz countertops, an impressive 11-foot breakfast bar, and top of the line KitchenAid appliances. Whether hosting holidays, intimate dinner parties, or casual brunch with friends. Throughout the home you'll find crown molding, tray ceilings, designer lighting, and custom window treatments elevating the space with warmth and sophistication, while the thoughtfully designed layout offers the privacy and comfort you and your guests deserve. The upstairs is complete with bonus room, bedroom and bathroom making this the perfect retreat for visiting family, long-term guests, or a peaceful escape all your own. Even the oversized 3-car garage has been enhanced for real life, with abundant storage and a custom workbench for hobbies, projects, and organization. Beyond your front door, life unfolds in the vibrant, amenity-rich Del Webb community where you can enjoy morning fitness classes, afternoons by the resort pool, pickleball with neighbors, art studio creativity, evening events, and a full-time lifestyle director curating experiences that turn neighbors into lifelong friends. And all of this is set within Lakewood Ranch, where waterside dining, boutique shopping, farmers markets, championship golf, cultural events, and the Gulf Coast's world-famous beaches are just moments away. This is more than a home, it's where your next chapter feels like a permanent vacation. For extra peace of mind sellers providing a one year home warranty.
