Description

Introducing 725 Harbour Drive, ultimate luxury, situated in the iconic Naples beach community The Moorings. A modern coastal home designed by renowned architect, John Kukk this is a masterpiece you are sure to enjoy. It begins with an oversized corner lot allowing for a side entry three car garage. This component leaves the front of the home unencumbered with garages, providing a beautiful circle drive as you pull up to the impressive entry. Step inside on the white oak floors and soak in the entry way and living area offering views through the expansive back lanai via 10ft fully pocketing sliding glass doors. The west side of the home is your dedicated owner's suite including a workspace, beautiful bathroom, large dual closets, a large bedroom including sitting area and private access outside to the pool and spa. The kitchen is a lovely combination of modern and classic with custom cabinetry and stone, a large walk-in pantry and a unique chopping block feature as a part of the large island where you will gather. The dining room is one of a kind with it's 270 Degrees of windows. Upstairs you will find three ensuite bedrooms a massive bonus room atop the stairs and balconies that overlook the pool and putting green. Architecturally designed with an elevator shaft one can easily add this feature if needed. Outside in your private oasis you can relax on the pool sun deck, enjoy the spa, practice your putting, use the outdoor culinary space or simply turn on the fireplace and watch the game. With both storm shutters and screens it is a huge living space regardless the weather. This home's base floor is at 12 ft elevation; flood waters have never been a concern. An easy stroll or bike ride to Venetian Village, Moorings Country Club, Moorings Private Beach Club and Naples amazing restaurants. What more can you ask for?
