Description

Welcome to this stunning four-bedroom home perfectly tucked away on a quiet cul-de-sac. Designed with comfort and functionality in mind, the spacious main-floor primary suite features a walk-in closet, a relaxing soaking tub, and a separate walk-in shower. Convenient main-floor laundry makes everyday living effortless, while the inviting eat-in kitchen offers generous space for cooking, gathering, and making memories. The oversized three-car garage provides exceptional storage and plenty of room for vehicles, hobbies, or all the extras. Upstairs, you'll find an expansive fourth bedroom that offers incredible flexibility — easily transformed into a second living area, home office, playroom, or recreation space to fit your lifestyle. The full basement is a blank canvas ready for your vision — create the home gym, theater room, or additional living space you've always wanted. With its peaceful setting, versatile layout, and endless possibilities, this home is ready for its next chapter.
