## Description

Updated. Spacious. Backyard Goals. If you've been searching for a home that blends thoughtful updates with everyday functionality - welcome to 802 Timberwood Drive. Located in one of Cranberry Township's most convenient neighborhoods, this beautifully maintained 4-bedroom, 2 full + 1 half bath home delivers the space you need and the upgrades you'll truly appreciate - both inside and out. From the moment you arrive, you'll love the classic two-story curb appeal and 2-car garage. Inside, the main level offers a bright, natural flow with updated flooring, neutral tones, and comfortable gathering spaces designed for real life. The sellers have invested where it counts - including a stunning kitchen remodel that anchors the home. Featuring stainless appliances, a subway tile backsplash, abundant cabinetry, and generous prep space, the kitchen opens seamlessly into the dining area and family room. Designed for gathering, it's a space where weeknight dinners and holiday hosting feel effortless. Step through the sliding doors and you'll immediately see why this property stands out. A huge deck addition overlooks the spacious backyard, creating the perfect outdoor extension of the home. Morning coffee, summer dinners, game-day gatherings - this is outdoor living done right. Upstairs, four spacious bedrooms provide room to grow, work from home, or create the flex space you've been wanting. The layout feels both practical and comfortable - designed to adapt as life evolves. Downstairs, the finished lower level expands your living space even further - complete with a cozy stone fireplace, built-ins, and room for movie nights, workouts, or play. One of the standout improvements is the brand-new full bathroom, adding valuable functionality and flexibility for today's lifestyle. A dedicated laundry area makes this level as practical as it is inviting. Space to gather. Room to grow. Updates already done. 802 Timberwood Drive is ready for its next chapter - and it just might be yours.
