Description

Welcome to easy living in one of Cary's most sought-after locations, just 2 blocks from the Downtown Cary Park. This beautifully maintained 3-bedroom, 2.5-bath, 1-car garage townhome is ideal for people searching for space without the upkeep of a single-family house. Natural light fills the end unit home, while the layout makes it easy to move between cooking, dining, entertaining and gathering. The secondary bedrooms provide flexibility for your needs whether you desire to have a room for an at home office or a quiet spot for your guests. The spacious primary suite serves as a true retreat with an updated shower, generous closet space and extra room for a comfy reading spot. The large 1 car garage is big enough to house your ride, use as an at home gym or for additional storage. All appliances are included. Outside, enjoy your own private deck; perfect for morning coffee and grilling on warm Carolina evenings, Updates include: wood floors, premium high-end carpet, tankless hot water heater, updated appliances, new paint, new deck, dedicated network wiring, high-speed internet, encapsulated crawlspace and a natural gas fireplace. Location is where this home truly shines. Situated in the heart of Cary, you're just a few feet from Downtown Cary, local parks, greenways, library, schools, dining, shopping, and entertainment. Whether you want a quick trip to Esteamed Coffee, hang out with your pup at the bougiest dog park this side of the Mississippi, or head over to the Cary Amtrak Station, where you can hop on a train that can deliver you right into New York City, everything you need is right here at your fingertips.
