Description

Exquisite prairie-inspired two-story in the highly sought-after East Isles neighborhood. This architecturally striking home offers a beautiful open floor plan designed for effortless living and entertaining, with expansive windows that bathe the interior in natural light and highlight the quality craftsmanship throughout. The chef's kitchen is a true showpiece, featuring premium finishes, abundant cabinetry, exceptional storage solutions, and generous workspace ideal for both everyday cooking and hosting gatherings. The seamless connection between kitchen, dining, and living areas creates an inviting and functional layout. The impressive primary suite delivers a luxurious retreat, complete with a stunning see-through fireplace, private balcony, and custom-designed California Closets offering incredible organization and storage. The fourth room is currently an Office could be a great Nursery or Childs room as well! Spacious secondary bedrooms and thoughtfully updated baths continue the home's elevated feel. Extensive upgrades enhance both comfort and style, while professionally designed landscaping surrounds the property with beauty and privacy, creating a peaceful urban oasis. Ideally located near the lakes, Uptown's vibrant dining and shopping, and miles of biking and walking paths. Two-car attached garage completes this exceptional offering.
