Description

Updated. Move-In Ready. Entertainer's Lower Level. 1465 Yorktown Drive is a beautifully updated 3-bedroom, 2 full + 1 half bath townhome offering stylish finishes, thoughtful improvements, and low-maintenance living in a convenient Canonsburg location. The main level features refinished hardwood floors (2022) and a bright, open flow between the living and dining areas. The kitchen has been refreshed with quartz countertops, updated cabinet fronts, modern backsplash, stainless appliances, and a center island - creating a functional and inviting space for everyday living. A new sliding glass door (2022) leads to the patio and replaced deck, extending your living space outdoors. Upstairs, you'll find three comfortable bedrooms with updated carpet (2022) and refreshed bathrooms featuring new flooring and light fixtures. The primary suite offers generous space and its own private full bath. The finished lower level is a true standout - complete with accent wood details, a custom bar area with backsplash, and flexible space for game nights, movie marathons, or hosting friends. Major mechanical updates (2022) include new windows throughout, furnace, and AC - and in 2024 the HOA replaced the roof, gutters, and downspouts, adding even more peace of mind. Turn the key, settle in, and start enjoying a home where the updates are done and the lifestyle is easy.
