Description

Presenting a premium-position corner-unit Palma 3-bedroom townhouse in NARA, The Valley — backing directly onto the community garden and offered in a single-row setting. This rare combination of corner positioning, privacy, and uninterrupted green views enhances both lifestyle appeal and long-term value. Unlike standard internal units, this home benefits from additional openness, natural light, and enhanced privacy with no back-to-back properties. The corner configuration further elevates the sense of space, making it especially attractive to end-users seeking a peaceful family home, while also remaining a strong investment due to consistent demand for well-located garden-facing layouts. Key Highlights: Palma 3-bedroom townhouse Corner unit – enhanced light, space, and privacy Community garden facing – open green views Single row – no back-to-back units Functional layout with excellent natural light Ideal for both end-users and investors Community – NARA, The Valley: Gated, family-oriented community Golden Beach Kids' Dale Sports Village Pavilion Green sikkas, landscaped parks & gardens Community centre & retail nearby Easy access to Dubai-Al Ain Road Developed by EMAAR NARA is developed by EMAAR, one of the most trusted and respected developers in Dubai, known for delivering high-quality master-planned communities with strong infrastructure, long-term value, and excellent resale demand. EMAAR developments consistently attract end-users and investors due to their build quality, community planning, and brand reliability, making this property a secure and future-proof investment choice. This property represents excellent value for a garden-facing Palma unit in NARA. A well-positioned home for buyers seeking quality living today and appreciation tomorrow.
