We present a unique opportunity in the heart of Barcelona, in one of the city's most iconic and rapidly appreciating areas, just steps from the Plaça Reial, the Gran Teatre del Liceu, and the sea. This elegant 281 sqm apartment is located in a historic regal building and preserves original architectural elements that give it unique character, including the classic Catalan vaulted ceilings and beautiful hydraulic mosaic floors. The property offers 5 spacious bedrooms, 3 bathrooms, and dual orientation, ensuring an abundance of natural light and excellent ventilation throughout the day. With great renovation potential, this is the perfect choice for creating a luxury residence or making a secure investment in one of Barcelona's most desirable and fastest-growing areas.
