Thoughtfully updated and beautifully maintained, this home offers easy one-level living with inviting indoor and outdoor spaces. A landscaped front yard welcomes you to the charming rocking-chair front porch -- the perfect spot to relax and unwind. Inside, abundant natural light fills the living room, highlighted by cathedral ceilings with skylights, hardwood floors, and a cozy wood-burning fireplace as the focal point of the space. The stunning sunroom addition, featuring six sliding glass doors, creates a bright and versatile living area that quickly becomes a favorite gathering space while providing seamless access to the backyard and deck. The updated kitchen features wood cabinetry, granite countertops, stainless steel appliances, and convenient access to the open dining area -- ideal for both everyday living and entertaining. The spacious primary suite includes an updated bathroom with a new vanity, tile flooring, and a large walk-in shower. Two additional bedrooms are located at the front of the home, offering flexibility for guests, office space, or hobbies. A functional laundry room sits between the kitchen and garage and includes extensive cabinetry, with washer and dryer conveying. Outdoor living shines with a fully fenced, tree-free backyard offering exceptional privacy, a large deck off the sunroom, and an irrigated raised garden bed perfect for growing vegetables. A storage shed provides additional space for tools and equipment. In addition to the concrete driveway, a wide gravel drive extends into the backyard -- ideal for extra parking, recreational vehicles, or boat storage. Additional updates include a roof replaced in 2021, an encapsulated crawl space, and replacement vinyl windows. Conveniently located just minutes from downtown Cary's parks, dining, breweries, and shopping, this home combines comfort, functionality, and an unbeatable location.
